Thos. E. Wilson, Owner

We
Invite You To
Our Annual
Shorthorn Sale

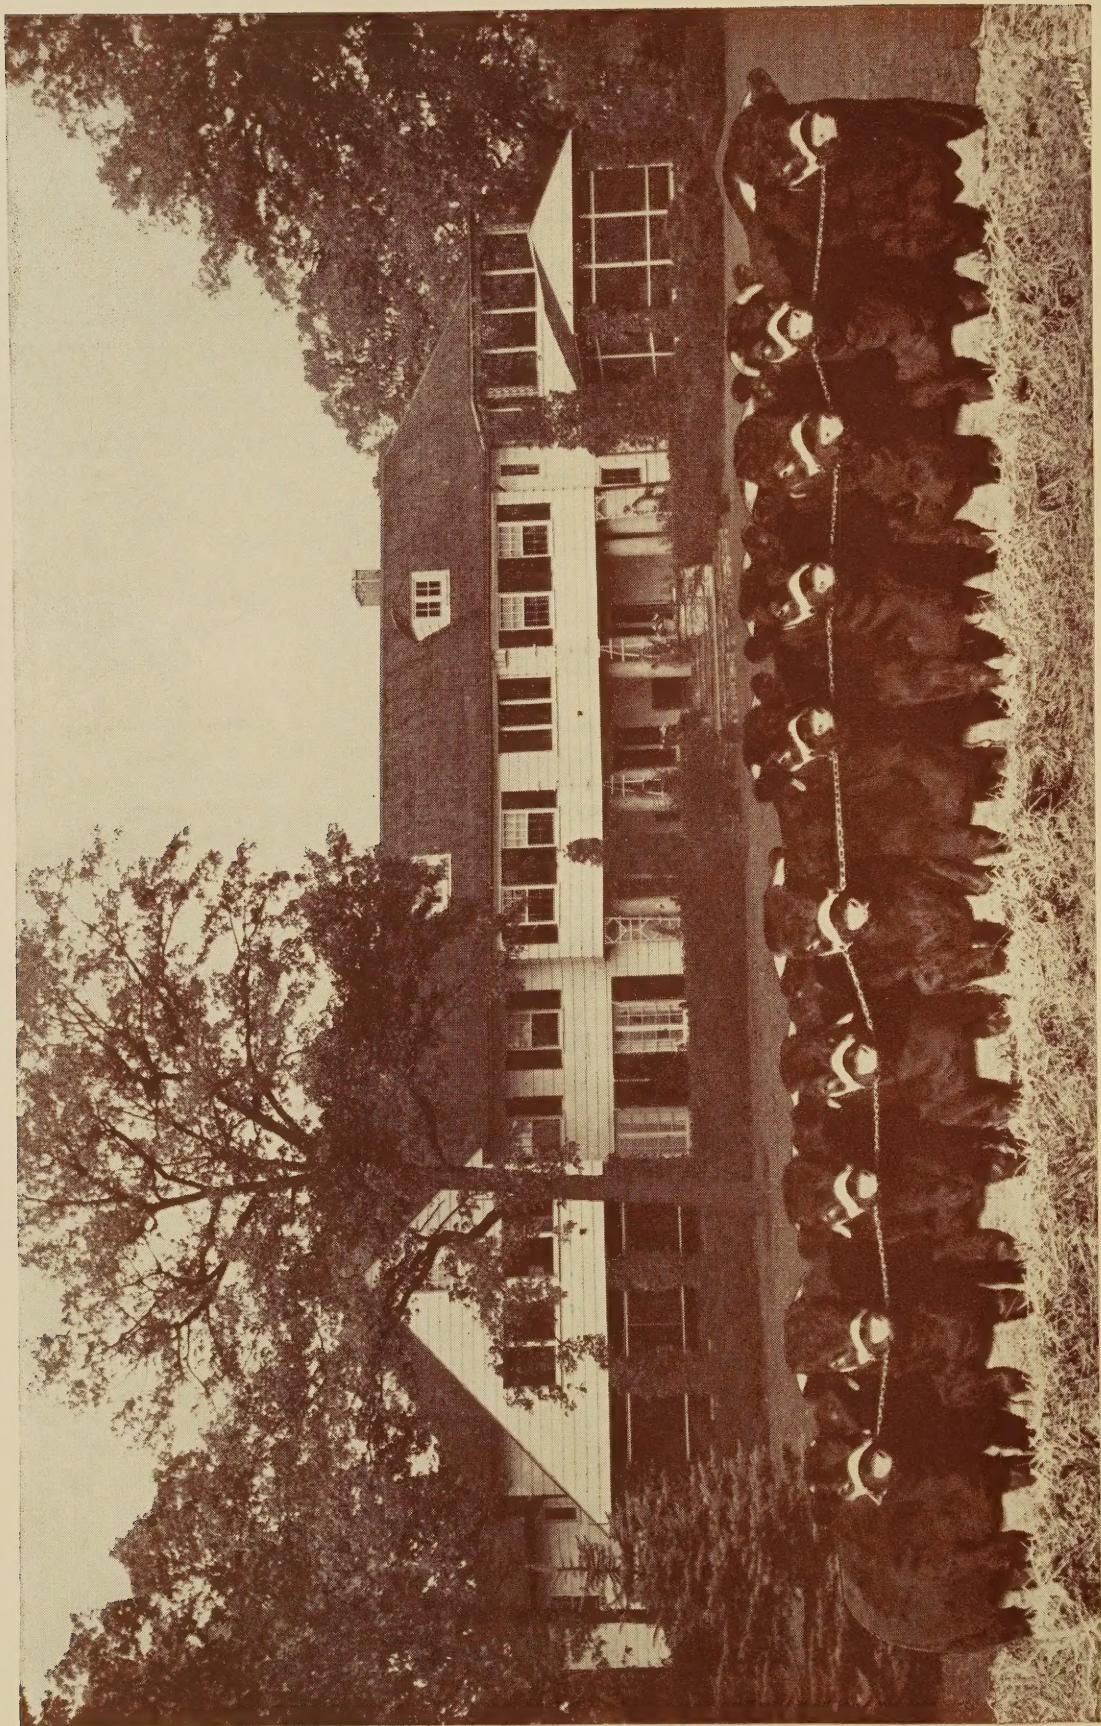

Mr. Thos. E. Wilson and Edward Foss Wilson congratulate M. D. Randle of Mississippi, the high individual in American Royal Inter-Collegiate Livestock Judging Contest.

I always look forward to the first Monday in June with a lot of pleasure, for it not only is the day when we divide the best of our yearly production, but also the time when our Shorthorn friends honor us with their presence at Edellyn Farms. Year after year our Shorthorn Cattle have made a host of new friends, and we are especially delighted to see those who are making their first visit to Edellyn.

Since last June our Exhibition cattle have had one of their most successful seasons, and this, following our unequalled record of the previous year, is certainly the best barometer of the relative merits of our breeding. This spring has seen an unprecedented number of honors go to cattle sired by sons or grandsons of Edellyn bred bulls at the big state and regional shows. It is very gratifying to us to see our breeding win the big prizes and sell at the top in so many important places.

We are very proud of this 1951 sale offering, for the cattle in the most part are the product of our breeding program of blending the blood of Calrossie Mercury and that of Edellyn Royal Leader. We sincerely hope that you will avail yourself of this opportunity to visit Edellyn on this occasion. We wish to call your attention to the sale at the Hickories on Saturday and the Marellbar Invitational sale the day after ours. Plan on arriving on Sunday, the day prior to our sale, to see our sale and breeding cattle and visit the Shorthorn herds in this area. We assure you a grand time.

Thos. E. Wilson

There will always be a warm welcome at Edellyn Farms for all those who share our love for good Shorthorn cattle.

EDELLYN YANKEE MERCURY

One of the top calves of the 1951 show season. He was 1st at Wisconsin and Indiana, 2nd at Illinois and Iowa, 4th at the National Show, and at the American Royal he was second. Sired by the son of Calrossie Mercury that is out of the same dam as Edellyn Royal Leader and out of the great producing cow Marellbar Augusta 85th. Yankee Mercury is an exceptionally good headed bull, very level, smooth, and near perfect in his close coupled conformation. This is the kind of a bull that it takes to sire show cattle.

Another Royal Leader-Calrossie Mercury combination that for performance is hard to beat. The dam of this calf is a full sister to Edellyn Mission Mercury, the famous Otto Hanson herd sire, and Goldie 8th is the dam of Edellyn Royal Leader 9th, used with such success in the Blotz herd in Wisconsin, and two good Royal Leader heifers at Hi Ho in Maryland. Bulls bred like this have always done well for their owners because they have been good bulls.

EDELLYN COMRADE MERCURY

By the Iowa State Fair Grand Champion and out of a Canadian cow of the famous Cluny Augusta family. This is the youngest bull in the sale and one that would be ideal to grow out into a herd bull. All-Star Mercury is proving to be a great sire, transmitting the good heads and doing qualities of the Mercurys, and retaining the typy conformation of the Royal Leaders. The wonderful head, the good smooth level back, and thick hind quarters make this calf a real favorite.

EDELLYN ROYAL LEADER 131ST

A son of Edellyn Royal Leader out of a Cruggleton Perfect dam. This is your modern old country breeding at its best. Last year one of the best heifers was out of this same dam. Cruggleton Perfect is the sire of the 1949 Perth Supreme Champion, and regarded as one of the two best bulls ever used by Bertie Marshall. A good headed low set calf by the All-American Favorite and out of such a grand imported cow could make quite a breeding bull.

EDELLYN SERENE MERCURY

His sire was Reserve Grand Champion as a calf at Illinois and Grand Champion at Iowa. He still retains that thickness, smoothness and stylish carriage and transmits them to his calves. Serene Mercury is a rare combination of our Calrossie Mercury blood lines and here is a top calf to fix the good doing and fleshing qualities of the Mercurys into your herd along with modern type and character. This is a good Marshall pedigree and Cruggleton Price Favorite was one of his best stock bulls. This is the type of breeding that has brought results in the other beef breeds.

Edellyn Majestic Leader

EDELLYN MAJESTIC LEADER

Edellyn Squadron Leader, the Nelson Trophy winner for the best calf at the American Royal is out of Edellyn Dorothy 21st, one of the greatest cows of the breed. He has retained his near perfect form, and his calves are inheriting his thick made, blocky conformation and wonderful handling qualities. If you like them to handle well and put it on right just lay your hands on this one. This bull calf has been a good one from the day he was born and is out of the type of cow from which stock bulls are born.
